Please note: if the keys are not returned to Just go, the insurer will not accept the claim and liability for the full cost of the Vehicle will remain with the hirer.

Only persons named on the Rental Agreement are insured to drive the Vehicle. Please note that no insurance cover (including CDW) is offered for Overhead Damage, any damaged deemed as gross negligence, or any internal damages therefore the hirer accepts fully liability for these which is in addition to the standard Vehicle excess should that apply. Windscreens and /or tyre damage is not covered by the standard Vehicle insurance and therefore excess, however Collision Damage Waiver (CDW) does cover these items. (conditions apply), please see section 29, Collision Damage Waiver (CDW) for further details.

Just go will be responsible should damage to personal possessions or bodily injury occur (including death) as a result of proven gross negligence on Just go's part i.e. our actions or failure to act. Just go will not be responsible for any loss which is a side effect of the main loss e.g. loss of profits or opportunity. This is separate from the Vehicle insurance provided.

29. Collision Damage Waiver (CDW)

Collision Damage Waiver at £35.00 per night will reduce the GB£1500.00 excess for damage caused due to a Road Traffic Accident (RTA) or collision (i.e. reported accident) to either the Vehicle or third party property to £0. It will also cover the cost of replacement tyres or windscreen. However, it will not cover any damage to the Vehicle or third party property caused through a reversing manoeuvre, any damage deemed as malicious i.e. Vehicle break in or vandalism, cover the replacement or repair of windows or cover the theft of the Vehicle. No insurance cover is offered for Overhead Damage, any damaged deemed as gross negligence or any internal damages therefore full liability will apply. This applies in respect of the first incident and / or claim, not the entire duration of the rental. Once an accident has occurred CDW cannot be restarted and standard insurance terms will apply. The incident must be reported to Just go within 24 hours otherwise the CDW cover will not be applicable. Maximum charge term for CDW is 21 nights.

Should the Terms and Conditions not be adhered to, the CDW will be void and the Customer will be liable in full for all costs and damages. Please note that the CDW is completely optional and can be decided upon collection of your Vehicle. After the hire has commenced, CDW cannot be taken out. CDW cannot be offered to drivers over the age of 70.

30. Vehicle Damage - Insurance Cover

You are aware that:

- The Vehicle is insured for damage to the Vehicle and the property of a third party; but does not include any personal insurance for the Customer or their possessions
- Neither the Standard Insurance nor Collision Damage Waiver (CDW) covers Overhead Damage. The hirer will be responsible for the cost to repair all damages
- You will have to pay an excess for any Insurance claim regardless of which party is at fault for the accident. The insurance excess is GB£1500.00 per claim, not per rental
- The excess may be reduced or removed, in most circumstances when a Road traffic accident (RTA) has taken place, by taking out CDW cover. Terms apply; (please see clause 29, CDW). If CDW was accepted by the hirer, it is set out under the 'Insurance Declaration' on the Rental Agreement and an additional premium must have been paid
- You will not have any insurance cover and you will be responsible for the total cost of any damage if you breach any of the terms of This Agreement
- You will be responsible for any damage caused through gross negligence and will not be covered by the insurance including CDW
